**\*ALLERGIES AND INTOLERANCES**

Although we separate ingredients and clean down in all work areas and equipment the presence of allergenic ingredients in our work areas means we cannot guarantee any of our dishes are free of those allergens. If you have a severe allergy we would advise our menu may not be suitable for you. If you have any questions at all, please speak to a member of our team. If you have a food allergy or intolerance please let us know before you order. We take allergies very seriously and we work hard to provide a wide choice to fit a range of dietary needs. Our Allergen Matrix is available from our team on request and specifies allergens present by dish.

Please note: all our dishes and drinks may contain traces of nuts, nut oils or egg.

Please be aware: shrimp is a common ingredient used in many forms of Asian cooking.

Prices include VAT at standard rate. All prices are in £s. A discretionary service charge of 12.5% is added to your bill, 90% of which is distributed to all staff through a system they control. The balance is used to cover bank and other administration charges from which we do not make a profit. All of our staff are paid at least the national living wage before counting any tips or service charges you choose to pay.
